RENAULT MEGANE COUPÉ-CABRIOLET

DRIVE THE CHANGE

RENAULT

WHY RENAULT? WE'RE DRIVEN BY A PASSION TO MEET AND EXCEED PEOPLE'S NEEDS, AND THAT'S WHAT DRIVES THE INDUSTRY FORWARD. IT'S BEEN THAT WAY WITH US FOR OVER A HUNDRED YEARS. BUT IN TODAY'S RAPIDLY-CHANGING ENVIRONMENT, IT'S MORE IMPORTANT THAN EVER THAT WE SOURCE NEW SOLUTIONS THAT WILL SAFEGUARD ALL OUR FUTURES.

At Renault we are working to create more affordable cars, with radically lower CO_2 emissions. For the widest possible audience. Today that's our collection of 'eco²' models. Eco² indicates that the vehicle produces CO_2 emissions lower than 140 g/km, it includes at least 5% recycled plastic in its plastic mass, and has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy). In addition eco² means that our factories are ISO 14001 certified.

Starting this year there will be a groundbreaking range of electric vehicles, from a nippy town car to a comfortable family saloon and a small van. They will be affordable to run – you will be able to drive up to 100 miles using a battery that costs typically £3 to charge, and a lot less using cheaper tariffs. And parking and congestion charges should all be lower, too.

We believe it's time to make the car a driver of progress once more. We are determined to drive that change. Soon you will be able to join us.

RENAULT. DRIVE THE CHANGE.

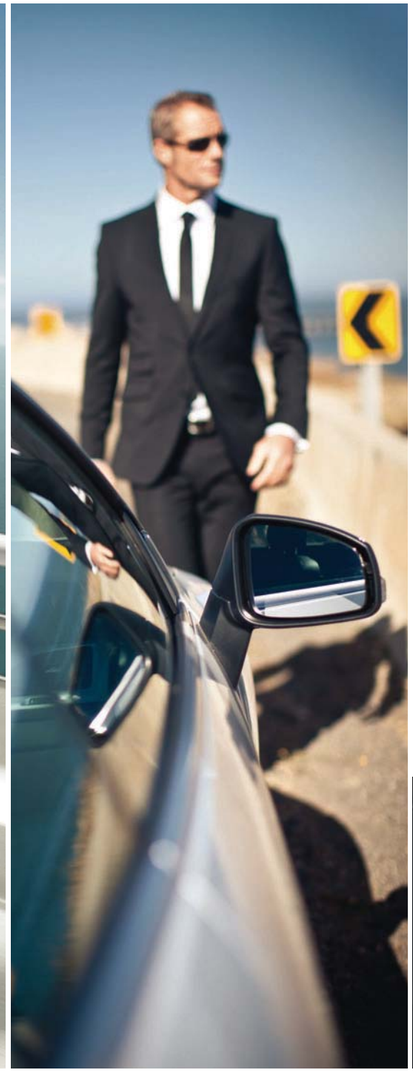
CLEAN LINES. REFINED DETAILS.
ELEGANCE ABOUNDS.
MORE THAN A STYLE;
A WHOLE LIFESTYLE.

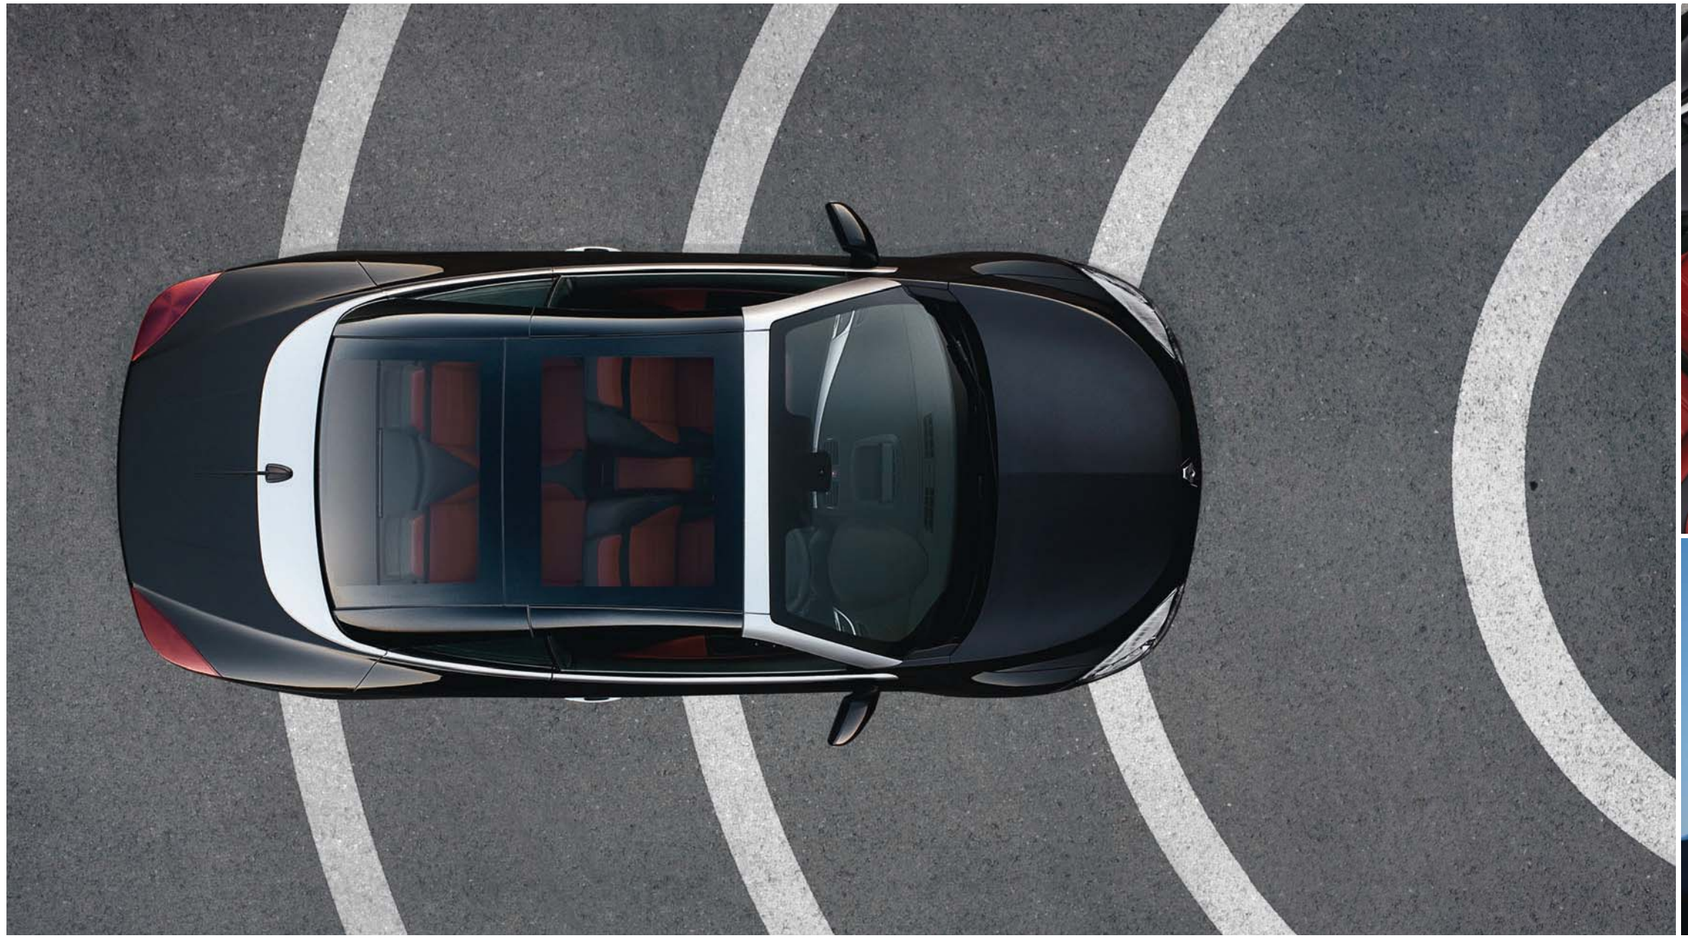
WITH THE SKY AS A BACKDROP
365 DAYS A YEAR. ROOF UP OR TOP DOWN?
THE NEW RENAULT MÉGANE COUPÉ-CABRIOLET.

CHIC **DESIGN**

PASSION AROUSED FROM AN ENCOUNTER, A LOOK...



With its fluid, dynamic lines and the stylish signature of its tail lights, the New Mégane Coupé-Cabriolet exudes a timeless elegance, making pleasure a way of life. Sometimes a coupé, always a cabriolet, offering a view of the sky as far as the eye can see.



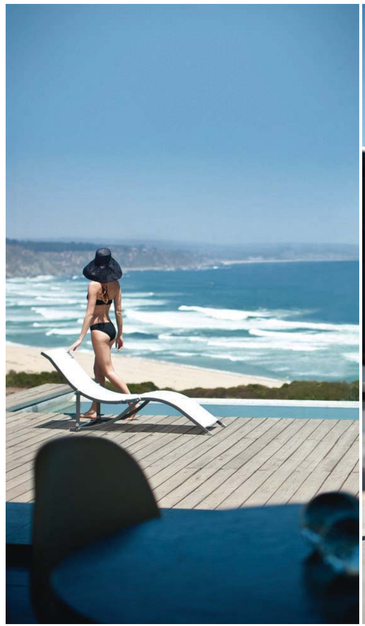
BLACK AND CHROME

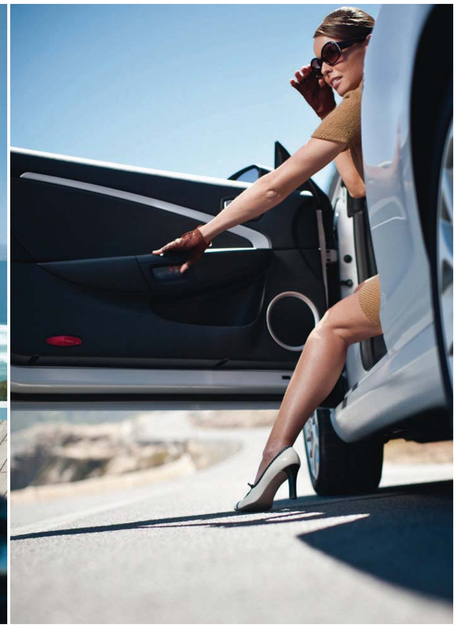
THE STYLE IS IN THE DETAIL…

The sobriety of black. The brilliance of chrome. With the New Mégane Coupé-Cabriolet, style is in every detail: a chrome belt surrounding the passenger seats and chrome windscreen pillars; roof and side mirrors in glossy black. The finish and materials work in perfect harmony for the greatest aesthetic pleasure.

WIDE **SCREEN**

THE SKY ROLLS ON TO INFINITY…





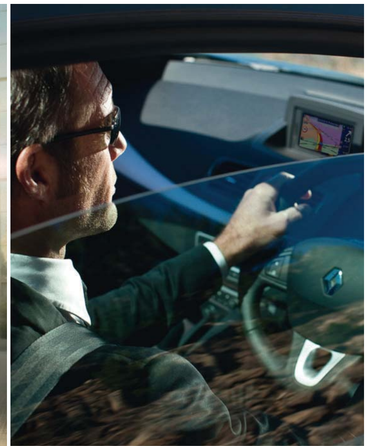
With the roof closed, the New Mégane Coupé-Cabriolet is an eye-catchingly stylish coupé, whilst providing all the pleasures of a cabriolet. Its wide glass surfaces and lowered windscreen offer a panoramic view of the sky; a never-ending spectacle for an open-air drive 365 days of the year.

Forget it all. Get away. Break free from the pressures of life. Protected by the fixed wind deflector *, breathe in the ocean spray, drink in the fresh air..... New Mégane Coupé-Cabriolet: freedom and driving pleasure.

*Exclusive to Renault.

ESSENTIAL TECHNOLOGY

FOR SATISFACTION ON TAP



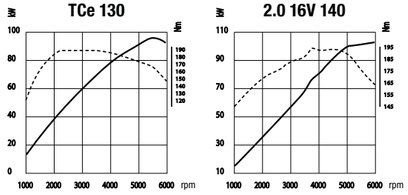
The Mégane Coupé-Cabriolet benefits from all of Renault's technological advances, from a hands-free keycard, multi-functional TunePoint, automatic parking brake and Carminat TomTom®, to a digital speedometer and cruise control. Technology that makes life easier, leaving the driver to concentrate on what really counts: enjoying the ride.

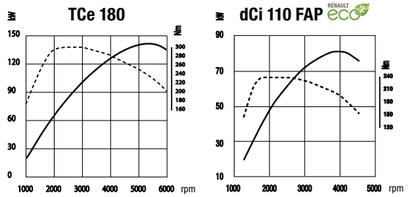
RENAULT eco2

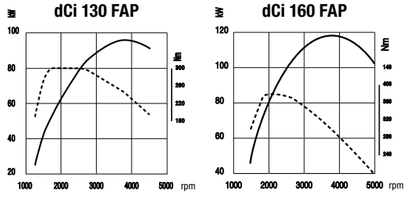
IT'S TIME TO CHANGE

The New Renault Mégane Coupé-Cabriolet offers a 1.5 dCi engine coupled with a new automatic Efficient Dual Clutch (EDC) gearbox. Together, these combine performance, fuel economy and a lower environmental impact. This engine and the EDC gearbox have CO_2 emissions below 120 g/km and benefit from Renault's eco² signature - a global approach based on the three fundamental criteria of manufacture, CO_2 emissions and recycling that allow the New Mégane Coupé-Cabriolet to have the least possible impact on the environment from its design to the end of its life.

ENGINES







Power
Torque

TCe 130 - 6 SPEED MANUAL
Flexible and dynamic, this engine is powerful even at low revs. Its performance is combined with low CO_2 emissions.

2.0 16V 140 - CVT
Offered with the new continuously variable transmission CVT, this engine offers driving comfort with smoothly progressing acceleration through the gear changes.

TCe 180 - 6 SPEED MANUAL
With exceptional responsiveness whilst preserving the available torque, this engine offers lively and receptive acceleration from low down in the rev range.

dCi 110 FAP - EDC RENAULT eco2
With the new EDC gearbox, this engine leads its category in terms of CO_2 emissions and fuel consumption. All this and optimal driving comfort too.

dCi 130 FAP - 6 SPEED MANUAL
Dynamic, flexible and quiet, this engine has a manual six speed gearbox. Equipped with a particle filter, it emits just 149 g/km of CO_2.

dCi 160 FAP - 6 SPEED MANUAL
Power and sportiness are this engine's speciality, yet it's distinguished by its silent operation and low fuel consumption.

EDC
The comfort of an automatic gearbox with the practicality and responsiveness of a manual. The automatic EDC gearbox offers comfort and responsiveness, whilst combining low fuel consumption and CO_2 emissions. Its dual-clutch and double-mass flywheel technology guarantee smooth, judder-free gear changes. With great fluidity, the EDC gearbox offers six gears, which are controlled automatically or manually.

All vehicles in the Mégane Coupé-Cabriolet range have a particle filter (if diesel) and meet the Euro 5 emission standards.

RENAULT eco2

New Mégane Coupé-Cabriolet meets three criteria:
- the vehicle produces CO_2 emissions lower than 120 g/km or operates on biofuels.
- It is manufactured in an ISO 14001 certified factory, minimising its environmental impact,
- and it includes at least 7 % recycled plastic in its plastic mass.

With RENAULT eco2, Renault displays its environmental commitment at every stage of the life cycle of the vehicle. The vehicle has been designed in such a way that 95% of the materials used could have a second life (recyclable for other use or as a source of energy), and that pollution control at the end of the vehicle's life (in particular extraction of fluids) is made easier.

COMFORT

1. PANORAMIC GLASS ROOF*
The large, glossy dark glass roof enhances the New Mégane Coupé-Cabriolet's unique style, and means that the interior is always light and bright.

2. FIXED GLASS WIND DEFLECTOR*
Protects driver and all three passengers from air turbulence between 30 and 60 mph.

3. REMOVABLE WIND DEFLECTOR
This allows for cabriolet driving at speeds above 60 mph with vastly reduced turbulence (for use with two people on board).

4. AUTOMATIC DUAL ZONE CLIMATE CONTROL
The automatically controlled Dual Zone air conditioning provides customised comfort, allowing both front passengers to select the temperature that suits them.

5. CUSTOMISATION MENU
Depending on your preferences, this allows you to manage the display and settings of the vehicle's functions (locking or unlocking the doors, rear wiper, etc).

6. RAIN AND LIGHT SENSORS
The windscreen wipers, with their automatic timing, start and adjust their wiping speed depending on how heavy the rain is. A light sensor automatically triggers the headlights at dusk or when you enter a tunnel.

7. LARGE GLOSS BLACK DOOR MIRRORS
Electric, heated and can be folded in electronically.

8. FRONT SEATS
Heated front seats. The driver's seat is electronically adjustable with memory settings.

1. HANDS-FREE KEYCARD
Simply carry the card with you and the door unlocks automatically as you approach. Press the START button and as long as you have the card, the engine will start. Move away from your vehicle and the doors lock automatically.

2. AUTOMATIC PARKING BRAKE
Automatically releases when pulling away, and engages when you stop. A simple button also allows you to control the handbrake manually.

3. CARMINAT TOMTOM® WITH JOYSTICK
The New Mégane Coupé-Cabriolet offers Carminat TomTom®, the first truly accessible integrated navigation system. The system calculates of the best route, gives real-time traffic information and speed camera alerts, with all the information displayed clearly on the large colour screen. The joystick offers access to the different functions in an intuitive manner.

4. ARKAMYS 3D SOUND 4 X 30W RADIO CD WITH BLUETOOTH®
The digital sound allows the eight speakers to recreate high-quality sound in three dimensions. Listening can be adjusted with the "driver only" and "mute rear speaker" functions.

5. MULTI-FUNCTIONAL TUNEPOINT
Connect your music player using the USB and iPod® sockets, and control the system through the steering wheel controls.

6. CRUISE CONTROL WITH SPEED LIMITER
Allows you to set a cruising speed or a maximum speed. A steering wheel control lets you adjust the selected speed. With its intuitive dash-mounted display, visibility is improved: in cruise control mode, a green arch is displayed when the system is active; in speed-limiting mode the arches remain white. If the speed is exceeded, the arch turns red.

7. DASHBOARD
The rev counter with analogue display, speedometer with digital display and cruise control symbols are clearly displayed on a colour screen.

8. ALARM
Compatible with the electronic system of your Mégane, the Renault alarm with integrated hyper-frequency module protects against break-in attempts even with the roof down, and detects any movement in the car.

STORAGE

1. BOOT
Offers a maximum storage volume of 417 litres with the roof up and 211 litres with the roof down. The opening and closing of the boot is facilitated with electric locks. The boot floor* conceals a discreet storage space compartment of 33 litres.

1

2

2. CENTRE CONSOLE STORAGE
Practical storage with easy access for front passengers.

3

3. GLOVEBOX
The generously spacious and well-lit glovebox locks and unlocks at the same time as the vehicle, ensuring your personal items are secured even with the roof down.

4

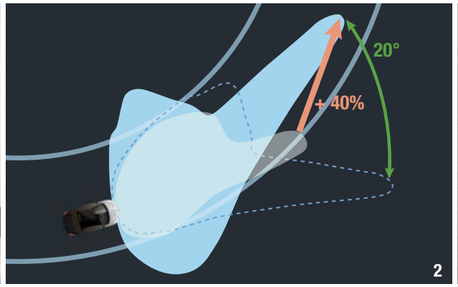
4. FRONT DOOR STORAGE
Useful for storing objects such as CDs or booklets.

*Except if spare wheel ordered

SAFETY

1-2. BI-XENON DIRECTIONAL HEADLIGHTS
The bi-Xenon headlights offer a powerful beam that closely resembles natural daylight. The auto-directional system lets the lights guide the way, lighting up corners and allowing you even greater precision and control when driving at night.

1



2

3. ROLLOVER ARCHES
The arches allow for optimum occupant protection in the event of the vehicle turning over, whether the roof is up or down.

3

4

4. SEATBELTS
To reduce strain and to ensure optimum body support in the event of an impact, the Mégane's seatbelts have front pretensioners, and load limiters on all seats.

5

5. ANTI-WHIPLASH FRONT HEADRESTS
The height and angle of the front headrests can be adjusted to reduce the risk of whiplash.

6

6. TYRE PRESSURE MONITOR
This system immediately alerts the driver in case of a puncture or a lack of pressure, to help prevent loss of control.

RENAULT
MOBILITY

As the market leader in safety, with ten vehicles in the range scoring the maximum five stars in the Euro NCAP safety tests, Renault offers an extensive range of models through the Motability scheme.

With our advanced design technology, all of our models can be cost effectively adapted by Motability Accredited Specialists to meet the particular needs of a disabled driver or user.

At your nearest Motability Accredited Renault Dealer, you will find a commitment to personal service, facilities for easy access including ramps and wide doors, plus expert assistance from Motability specialists.

If you'd like more information about these special services or about a specific vehicle adaptation, put us to the test right now by calling Renault Corporate on **0800 387 626**, contacting **motability@renault.co.uk** or visiting **www.motability.renault.co.uk.**

RENAULT TECH

WHO BETTER THAN RENAULT
TO SERVICE YOUR RENAULT?

Your new Renault Mégane is covered by a 3-year warranty package – the first 2 years of unlimited mileage Renault manufacturer warranty, followed by a further year of cover up to 60,000 miles. Paintwork is also guaranteed for 3 years while the anti-corrosion warranty runs for 12 years. In addition, the Renault Assistance plan ensures prompt help in the UK and Northern Ireland for manufacturer defects for 36 months. For full details please refer to the Renault warranty terms and conditions, available from your Renault Dealer or from www.renault.co.uk.

SERVICE INTERVALS (EURO5)

All models 18,000 miles / 2 years
Except:

12,500 miles / 2 years: • Twingo 1.2 TCe 100 & Renaultsport 133 • Mégane Renaultsport 250	**18,000 miles / 1 year:** • Espace IV
12,000 miles / 2 years: • Wind Roadster, Modus, Grand Modus & Clio 1.2 TCe 100 & 1.6 VVT 133 • Clio Renaultsport 200	

Service required at the mileage or time interval shown, whichever is sooner.

ENGINES WITH OIL CONTROL SYSTEM (OCS)

- PETROL 1.2 TCe 100, 1.4 TCe 130, 16V 105 Auto, 2.0 TCe 180, 1.6 VVT 128, 1.6 VVT 133, Renaultsport 133 & 250
- All DIESEL engines

OCS monitors driving conditions that directly affect the quality of your engine oil, protecting your engine from excessive wear and possible bearing failure. Under certain conditions; low speeds, heavy traffic, door-to-door deliveries (engine turning with little distance travelled) or in high gear for long periods; sport driving, towing a caravan/trailer over 500kg (engine turning at higher revolutions), the vehicle's service interval may be shortened and you will be alerted, via the instrument panel service indicator, that a Renault Service is required earlier (refer to driver's handbook for details).

EXTENDING YOUR WARRANTIES AND COVER

Renault Extended Warranty allows you to extend your Renault Warranty up to 5 years or 80,000 miles.
Renault Assistance Added Cover provides you with additional cover for incidents not covered by Renault Assistance: incorrect (or lack of) fuel, keys lost, stolen or locked inside the vehicle and incidents involving caravans or trailers.
For full information on these products please ask your Renault Dealer or log on to www.renault.co.uk and click on 'Owner Services', where you can also buy securely online.

SERVICE PLANS

When you buy a new car, you can also purchase a Fixed Price Service Plan. Prices start from just £199 and the plan covers your recommended manufacturer servicing up to 3 years or 30,000 miles, whichever comes first.* For more details ask your dealer or log on to www.renault.co.uk and click on 'Owner Services'.

*Plan only available at the time of vehicle purchase.

RENAULT ACCIDENT SUPPORT LINE - 0800 085 8005

The Renault Accident Support Line (RASL) is a dedicated service from Renault for all Renault drivers and their families, no matter what car they drive. This service is available at no cost to you, regardless of fault. RASL will deal with every aspect of your claim, from ensuring you are recovered to a Renault Approved Accident Repair Centre to dealing with all insurance companies giving you total convenience and peace of mind.
0800 085 8005 is the only number you need so please programme it into your phone and make sure that in the event of an accident you call us first and we will take care of everything.

RASL will:

- Arrange recovery of your vehicle from the scene of the accident to a Renault Approved Accident Repair Centre
- Organise the repairs at a Renault Approved Accident Repair Centre using only Renault Original Parts
- Deal with all insurance companies, both yours and the other parties'
- Provide a like for like replacement vehicle if the accident is not your fault
- Pursue the at fault party for all associated costs if the accident is not your fault
- Use the same paint as during manufacture
- Provide a 5 year repair guarantee on paint and repairs
- Ensure you do not have to pay a policy excess if the accident is not your fault
- Provide the same service for your family free of charge regardless if their car is a Renault or not
- Ensure that yours and your passengers' safety are guaranteed and your five star NCAP rating will not be compromised

FINANCE OPTIONS

There are a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.
